

# FOR GOOD ROADS: COUNT ON CONCRETE

---

*City of Pevely City Hall  
Pevely, MO*

The City of Pevely new City Hall parking lot was recently constructed with 90 cubic yards of concrete resulting from the Concrete Parking Analyst Software results and meetings on site with member contractors. A life cycle cost analysis comparing asphalt and concrete construction was prepared two times, once during pre-design in May 2007 and again during design phase in May 2008.

**Owner:** City of Pevely

**Engineer:** Ron Pember & Associates

**Ready Mix Supplier:** Breckenridge  
Material Co.

**General Contractor:** JH Berra  
Construction
