

# CONCRETE PARKING LOTS: A LOT FOR YOUR MONEY®

*Rockwood Bank  
23 Gravois Dillon Plaza Drive*

## Energy Advantages of Concrete

1. **Made from local materials.**
2. **Any repairs can be made with local material.**
3. **No sealers needed over concrete.**
4. **No heating needed of concrete mix.**
5. **Less lighting energy required for light pavement.**

## Compared to Asphalt

1. Made from oil, often imported.
2. Repairs made with oil-based materials.
3. Oil-based sealers and face coats needed periodically.
4. Material must be heated when applied.
5. More lighting energy required for black pavement.

**Owner:** Rockwood Bank
