

# Concrete Council

# Quality Concrete Awards

## 2021 ENTRY FORM AND RULES

The annual Quality Concrete Awards program recognizes member firms and others who have demonstrated outstanding concrete work in the St. Louis area, and it reinforces the Council's long-range commitment to quality concrete construction.

We invite you to participate in this year's competition. We hope you will take the time to submit one or more entries and will attend the awards ceremony in November.

### **ELIGIBILITY**

All member firms of the Concrete Council, along with local architects and engineers, are eligible to enter this competition. **Projects to be nominated must have been completed within the last 5 years and a member firm must have been involved on the project.** A current list of Concrete Council members may be found on our website: [www.concretecouncil.com](http://www.concretecouncil.com).

### **AWARD ENTRY DEADLINE**

All award entries must be received no later than 5:00 PM on **Friday, September 10, 2021**. **NO LATE ENTRIES WILL BE ACCEPTED.** Award entry form and photos can be emailed to [gina@concretecouncil.com](mailto:gina@concretecouncil.com) or can be sent via DropBox.

### **AWARD ENTRY FORM**

Entry in the awards competition requires a completed award entry form (see below) received on time. The submittal information, narratives, and photographs play a vital role in project selection, because the submittal is the only input available to the judges. **Please do not stray from the format of the entry form. All entry forms need to be submitted as a Microsoft Word Document.**

### **DIGITAL PHOTOGRAPHS**

In addition to the completed form, entrants must submit a **minimum of 5 and no more than 10 "high resolution" jpeg photos taken during all stages of construction as well as of the finished project** (if applicable). Photos should, where possible, illustrate points made in your project narrative. Please include at least one "sunny day" photo of the completed project. The file name of all jpegs must include the project name and the sequence number in which the image should be viewed. For example, "Concrete Parking Lot 1" and "Concrete Parking Lot 2" etc. **Please include a brief description to be put under each picture in the Judging Packet.** If the images are too large to be emailed, please send them via DropBox.

### **JUDGING**

Winners will be selected by a panel of prominent experts in the concrete-construction industry. All entries will be evaluated solely upon information in the submittal, following the provided entry form and rules. No on-site judging will take place. Winners will be announced during the second week of October, 2021.

### **AWARDS PRESENTATION**

Winners will be recognized at the 2021 Concrete Council Quality Concrete Awards Dinner on Thursday, November 18, 2021 at the Missouri Athletic Club in Downtown St. Louis.

### **ASSISTANCE**

The Concrete Council will provide professional assistance if requested to complete the entry form or assist in taking pictures. If you require assistance, please contact the Concrete Council office at 314.862.0324 so that time can be scheduled.

### **FOR FURTHER INFORMATION OR QUESTIONS**

Please contact Gina Loddeke at 314.862.0324 or [Gina@concretecouncil.com](mailto:Gina@concretecouncil.com) for questions or to request an entry form.
